**Subject:** SB262

I fully support the bill that provides Ct. residents the same support that the federal law gives to families, namely SB262, An act concerning the Connecticut Family and Medical Leave Act and Active Duty Military Service.

I am surprised our legislators hadn't taken care of this long ago. I certainly hope you do so now.

Thank you for supporting this bill.

Sincerely,  
Natalie A.C. Scott  
Wallingford, CT.
